WHY REFER TO DENTULU

- ✓ **National coverage**
One referral source across all 50 states.
- ✓ **Medical billing handled**
In-network payer contracts & Medicare in many states.
- ✓ **Multiple appliance options**
Herbst, EMA & PDAC-approved — not one-size-fits-all.
- ✓ **Dentist-led, in-person care**
Licensed dentists, digital scanning, directed titration.
- ✓ **Outcome visibility**
RPM & CCM-ready; you stay informed start to finish.
- ✓ **Standardized workflows**
HIPAA-compliant platform, consistent quality nationwide.

IDEAL PATIENTS TO REFER

- ✓ **Newly diagnosed OSA patients**
- ✓ **CPAP-intolerant patients**
- ✓ **CPAP non-compliant patients**
- ✓ **Existing oral appliance therapy patients**
- ✓ **Patients seeking alternatives to CPAP**
- ✓ **Patients needing home sleep testing**

THE PATHWAY IS BROKEN — DENTULU FIXES IT

TODAY: A BROKEN PATHWAY

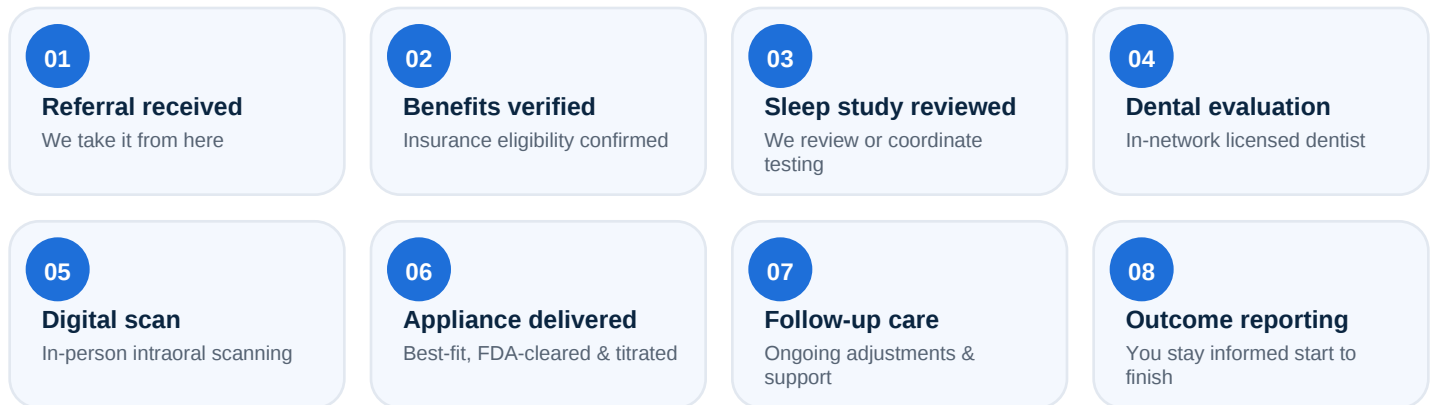

- ✗ Physician referral
- ✗ Sleep diagnosis confirms OSA
- ✗ Hard to find a local OAT dentist
- ✗ Insurance problems — no medical billing
- ✗ Patient confusion, high out-of-pocket
- ✗ No follow-up or communication
- ✗ **LOST PATIENT — untreated, untracked, uninformed.**

THE DENTULU PATHWAY — WE HANDLE THE REST

- ✓ Referral received
- ✓ Benefits verified
- ✓ Sleep study reviewed
- ✓ In-network dental evaluation
- ✓ Digital scan & best-fit appliance
- ✓ Delivery, titration & follow-up
- ✓ **OUTCOME REPORTING — you stay informed every step.**

AFTER YOU REFER

One referral. Eight coordinated steps.

DENTULU VS. TRADITIONAL OAT PROVIDERS

	TRADITIONAL MODEL	DENTULU SLEEP
Geographic access	✗ Local / limited	✓ National — all 50 states
Appliance choice	✗ One device, one-size-fits-most	✓ Multiple appliance options
Payment	✗ Primarily cash-pay	✓ Insurance + cash + 0% financing
Clinical oversight	✗ Asynchronous, minimal dentist	✓ Dentist-led, in-person
Impressions	✗ Mail-in, patient-generated kits	✓ Digital intraoral scanning
Communication	✗ Limited, no follow-up loop	✓ Continuous physician updates
Infrastructure	✗ Provider-dependent, variable	✓ Enterprise, standardized
